

## Round Table Discussion:

### *"The Stories Behind the Medicinal Chemists in Industry"*

#### Panelist:

Dr Toni Metsänen (Orion Pharma, Finland)

Toni Metsänen completed M.Sc. studies at University of Jyväskylä, Finland in 2011 and visited University of Liverpool, UK for postgraduate studies.

He received doctoral degree in organometallic chemistry at the group of Prof. Martin Oestreich, Technische Universität Berlin, Germany in 2016. His postdoctoral studies at University of Utah, USA in the Prof. Matthew Sigman group included computational reaction optimization of Prevyimis™ synthesis in collaboration with Merck & Co., Inc.

He received the Academy of Finland postdoctoral fellowship in 2018 and represented Finland in EuChemS Organic Chemistry Young Investigator Workshop 2019.

Since 2020 he has worked as a Senior Scientist at Medicine Design, Orion Pharma.
