

Exploring New Modality Space by Precision Chemistry

Programme

Wednesday October 7, 2020

1st MercachemSyncom eConference - DAY 1

Opening & Introduction

Session Chair

Dr Luc VAN HIJFTE
(MERCACHEMSYNCOM, Nijmegen, The Netherlands)

Transforming the Therapeutic Landscape with New Chemical Modalities (KL01)

Dr Eric VALEUR
(FLAGSHIP VENTURELABS, Cambridge, United States)

Break

Enhancing Targeted Protein Degradation by Structure-Based PROTAC Design (IL01)

Dr Siying ZHONG
(UNIVERSITY OF DUNDEE, Dundee, United Kingdom)

Targeting Non-Coding RNAs Using Synthetic Small Molecules: Scope and Applications (IL02)

Dr Maria DUCA
(UNIVERSITY OF CÔTE D'AZUR, Nice, France)

Closing Remarks Day 1

Exploring New Modality Space by Precision Chemistry

Programme

Thursday October 8, 2020

1st MercachemSyncom eConference - DAY 2

Opening Remarks Day 2

Session Chair

Dr Peter MOLENVELD
(SYMERES, Nijmegen, The Netherlands)

Peptiligase Enzymes (IL03)

Dr Leendert VAN DEN BOS
(ENZYTAG BV, Nuth, The Netherlands)

Activation of the Hippo Pathway via Targeting of Transcription Factor TEAD Using Designed Tertiary Protein Structure Mimetics (IL04)

Dr Hélène ADIHOUE
(ASTRAZENECA, Strasbourg, France)

Break

Session Chair

Dr Ton VRIES
(MERCACHEMSYNCOM, Groningen, The Netherlands)

Click-Cleavable Antibody-Drug Conjugates (IL05)

Dr Marc ROBILLARD
(TAGWORKS PHARMACEUTICALS, Eindhoven, The Netherlands)

Targeting the Tumor Microenvironment for Therapeutic and Diagnostic Purposes (IL06)

Prof. Sebastien PAPOT
(UNIVERSITY OF POITIERS, Poitiers, France)

Closing Remarks & End of the eConference
